QUESTIONS ABOUT THE FUTURE OF THE AREA

The BLM is interested in your general vision for the future of public lands in the San Rafael and Price area. Please take a few minutes to complete the questions below. The information from these questions will be considered by the BLM as it develops the Resource Management Plan for the area. Please return this sheet at the meeting tonight, or by mail, email or fax.

The Price River/San Rafael area is important to me because:

If I had three wishes for this area, they would be:

If you came back to the area in the future, and your three wishes had come true, what would you see?

Thank you for sharing your thoughts.
